The Pupil Premium was introduced in April 2011 for pupils registered as eligible for FSM in Year R – Year 11 and children who have been looked after continuously for more than six months.

The Service Children Premium is to support emotional and social well being and (from April 2013) will include children whose parent has left the service up to three years ago.

**Philosophy:**

***We believe that***

Pupil Premium money should be used effectively to promote good progress

Day to day teaching at Osborne School should meet the needs of all learners

**Principles:**

***We will ensure that:***

Pupil Premium funding will be used to support learning, attendance and behaviour as appropriate

The progress of pupils entitled to pupil premium funding is monitored to ensure interventions have positive impact

**Procedure:**

***We will do this by***

Including discussions about the progress of pupils eligible for Pupil Premium in a robust performance management system

Having a named Governor to monitor the use and impact of the Pupil Premium

Senior leaders and named governor agreeing the use of pupil premium funding annually, although priorities for spending may change during the year in order to support a child's changing needs. (This is especially relevant for looked after children).

Tracking funding and pupil progress.

**Performance:**

***We will monitor our performance by***

**Teachers discussing progress of pupils with pupil premium during performance management**

**Head teacher feeding back to named Governor and FGB about the impact of pupil premium funding on pupil progress**

**Information will be shared about the impact of this money on our website.**
