Dear Parents and Carers

### Year 11 - Introduction to Public Transport

I would like to offer Year 11's the chance to use public transport in preparation for their personal development as well as their independence. I am planning for Year 11's to use the train to Eastleigh (and possibly beyond) with support of school staff on a selection of Thursdays.

Pupils will learn how to buy tickets from the office and use the ticket machine, understand timetables and develop money skills. The plan is for pupils to leave school at about 3.30pm and walk to the train station. We will then get the train to Eastleigh and possibly go to a café for a drink. Pupils can then be picked up from Eastleigh train station at an agreed time.

If you would like your son/daughter to participate in training to use public transport please complete the form below and return it to the school office as soon as possible.

Once we have an idea of how many pupils may like to join in we will contact you with further details.

If you have difficulty collecting your son/daughter but would like them to take part, or have any other questions, please do not hesitate to contact me.

Yours sincerely

Stewart Lang  
Head of KS4
