Dear Parents and Carers

Parent Governor Vacancy

We have a vacancy for a parent governor which we need to fill as soon as possible.

Osborne School has always aimed for a partnership with parents which undoubtedly brings great benefits to the children. One of the most significant ways you can help in promoting the aim is to volunteer to be a parent governor.

The governing body's main tasks are:

- To ensure that the school has a clear vision, ethos and strategic direction;
- To hold the headteacher to account for the educational performance of the school and it's pupils;
- To oversee the financial performance of the school, making sure it's money is well spent.

Parent governors are welcomed as valued members of the team and play a vital role in ensuring the governing body is aware of the views of parents and the local community. We feel sure that there are parents prepared to take on this important role and give their time and commitment to helping us to continue to improve the school's performance.

Training and support will be available to help you develop into the role. This will include in-house mentoring and support as well as access to external governor training.

If you feel you can help in this capacity please contact the school office for an application form which will need to be completed and returned to the school by 12:00 noon on Tuesday 14 November 2017.

The guidelines, giving full details about how vacancies are filled, can be found on the school's website. You should also look at the information for prospective governors on the Hampshire County Council website. You will find videos, e-learning and written information on the site and all of these will provide you with further details about the role.

Please note that for the protection of children all governor appointments are subject to an identity check.

If there are more applications than vacancies we will hold an election and you will be sent a voting paper.

Yours sincerely

Sonia O'Donnell
