Dear Parents and Carers

### Post 16 Opening

I am sorry to say that, due to unforeseen circumstances, the Post 16 unit will not be ready for us to move into just yet.

Your young people will, however, still be able to start back on Monday 12 September and they will be accommodated in classrooms in the main school.

I would still like to welcome you all at **10am this Friday, 9 September**, to hear about the development, the curriculum and staffing arrangements but the session will take place in the school hall rather than the Post 16 building.

I appreciate that this may be disappointing for some students but I can assure you that we are all still very excited about the developments and are now looking forward to the students being able to participate in the setting up of their new classrooms once they are finished.

Thanking you for your understanding.

Yours sincerely
