Dear Parents and Carers

Sports Day – Rescheduled for 21 July

Thank you for your understanding yesterday when we unfortunately had to cancel our Sports Day due to the weather. Despite the cancellation we were still able to make the most of the Army being with us and the pupils enjoyed some exciting activities in the hall with them.

I am pleased to say that we are re-scheduling Sports Day for **Friday 21 July** and hope that you will be able to support the event.

As before, the event will take place on the school field between 9:20am and 3:00pm and will combine a number of fun activities and races that all pupils can access.

You are invited to come along to the event to support and follow your child as they move around the different activity stations and take part in the races in the afternoon.

Friends of Osborne School (FOS) will be providing light refreshments, at a small cost, for visitors and pupils. Therefore, if you would like to purchase any refreshments on the day, please ensure you bring some money with you or send some in with your child.

We will also be having a 'picnic' style lunch from 12:35 – 1.15pm where the pupils, parents and teachers can all eat lunch, together, out on the field. **Please complete the form attached regarding packed lunches.**

Please can pupils come to school on the day dressed in their PE Kits, and make sure they have a hat, drinks and that any sunscreen is already applied. In the case of adverse weather conditions, the school will notify you by text message.

If you plan on attending the event, please complete the attached form so that we have an idea of the number of spectators that will be attending. If after the event finishes at 3:00pm, you wish to take your child home, please also complete that section on the slip. You will also need to contact your child's transport to make them aware that it will not be needed that afternoon.

We look forward to seeing you on the day and if you have any questions please do not hesitate to contact me.

Yours sincerely

Marc Bernard
Director of Teaching and Learning
