Dear Parents and Carers

As part of our Functional Skills curriculum, our students work in Osborne Café once a week. Up until now, we have been preparing snacks for break and staff lunches.

For the next ½ term, every Monday, students will have the opportunity to make their own lunch and then to eat together as a class in the café. The students have discussed what they want to make and have come up with the following healthy lunches that they would like to learn to cook.

Monday 26th Feb - Roast Chicken with stuffing and vegetables. Angel delight and shortbread.

Monday 5th March - Meatloaf and Veg. Pineapple upside down pudding.

Monday 12th March - Chicken Fajitas, Salsa and Salad. Yogurt and Fruit Salad.

Monday 19th March - Pizza. Chocolate pudding.

Monday 26th March - Sausage Plait with beans. Strawberries and Ice cream.

Because this lunch will replace the students normal lunch we would ask for a contribution of £1 for each lunch. This is remarkably good value, and is not aimed at making a profit but rather just covering the cost of the ingredients.

The students will also have a chance to use the online food ordering system.

If your young person wants to take part, please could you send in £6 next monday to cover all of the lunches, then they won't need to remember to bring the money each week.

This activity really supports the students independent living skills and is aimed at providing skills and confidence to eventually transfer the skills learnt to the home environment.

All dietary requirements will be met.

If you have any questions, please feel free to contact me via diaries, phone or email.

Best wishes

Olivia Byrne
