Dear Parents and Carers

We are about to undertake an exciting recycling project. Our aim is to collect and recycle plastic bottle tops to create a large sensory mural within the school/college grounds similar to the images below.

We need plastic bottle tops of all sizes and colours. The more we collect, the larger our creation will be, as well as helping our environment by recycling them! Please may we ask that you collect and send them in with your young person between now and the end of term.

Thanking you for your support

Yours sincerely

Lisa Hampshire
Senior Teacher and HDIW Co-Ordinator
