Dear Parents and Carers

I would like to thank all of you that have sent in plastic bottle tops of all sizes and colours. We have had an amazing response. Our students are about to begin the design process now and sort all of them into size and colour categories. We will begin to create the mural in September.

May we ask that you continue to send them in with your young person between now and the end of term and continue to spread the word please? The more we collect, the larger our creation will be, as well as helping our environment. Thanking you for your support.

Yours sincerely
