Dear Parents and Carers

### **Year 10 Enterprise Programme Kings School**

I am writing to you about a new partnership between Osborne and Kings School. Your child will be working with a small group of Year 10 pupils at Kings School on an Enterprise project starting on the 18<sup>th</sup> September. We will be attending Kings School from 2pm to 3pm on Tuesday afternoons. The programme will be led by Stewart Lang who will be transporting pupils by minibus.

The aim of the pilot scheme is to help pupils from both schools develop their social skills and confidence as well develop new friendships. We will be working with staff at Kings to develop ideas for a small business and then make products to sell, for example mobile phone holders. As the pupils become more confident the aim will be for Osborne pupils to attend core subjects at Kings later in the academic year.

We are very excited about the potential relationship with Kings School and how it will develop in the future. If you have any questions or require further information please do not hesitate to contact me.

Yours Sincerely

Sonia White (O'Donnell)  
Headteacher
