Dear Parents and Carers

As part of the Skills for Life Curriculum, your young person is taking part in our Sport and Recreation programme every Thursday morning. The aims of the programme will be to provide students with a range of everyday sport and recreation opportunities in order to inspire sustained participation into adult life. This will include opportunities to enhance their confidence in accessing the local community, identify activities that they would want to continue to pursue into adult life and know how to access sport and recreation facilities in the local community.

Your young person is in the group accessing the community until October half term. The activities that have been organised are;

- 13 September – Library and cafe
- 20 September – Crazy golf
- 27 September – Pots to Paint
- 4 October – Snooker
- 11 October – Winchester museum and cafe

The costs for the activities are as follows:

- Library and cafe £5.00
- Golf £1.50
- Snooker £2.50
- Pots to Paint £7.00
- Winchester museum and café £5.00

We ask that you ensure your child has the correct money in their wallet to allow for the activities, or if your child has an account, that you ensure they bring their Contactless card on a Thursday. If you would rather send the full amount of £21 in cash to cover all the activities for the half term then it can be stored within the college safe.

As well as the cost of the activity it is required that students contribute to the transport costs of the school minibus. We ask that this is paid directly to the school in a lump sum before the trips commence. The total cost for these trips will be £16.19.

If you have any further questions, please do not hesitate to contact me.

Yours sincerely

Olivia Byrne  
College Tutor
