Friends of Osborne School Activity Morning – Saturday 13th October

Dear Parent / Guardian

Following on from the success of our Winchester Ramble last year, we will be opening the school on Saturday 13th October for families to come along and enjoy the school grounds and join in an offsite walk.

The school will be open from 9.30 – 1.00. Friends of Osborne will be running the café and serving bacon sandwiches and cakes. There will be vegetarian and gluten free options. Profits from the morning will go to FOS funds to support the school.

During the morning, families can use the outdoor gym equipment in school grounds and also join in an offsite walk led by Stewart Lang.

10-11 – a walk through Hyde Abbey down to Winnall Moors, which will be accessible to all pupils

11 – 1.00 – a more physically challenging walk up St Catherine's Hill

It would be lovely to see you all on 13th October. Pupils will be able to spend time with friends and parents will have an opportunity to meet each other. So we can plan the morning and the catering, please complete the form below and return it to school.

Yours Sincerely

Janet Durham; Secretary of Friends of Osborne

FOR THE ATTENTION OF FRIENDS OF OSBORNE

I/we will be attending the activity morning at the school on 13th October.
