6 December 2018

Dear Parents and Carers

### **Ref: Volunteering Day**

We are very fortunate to have been able to develop our outdoor play areas for our pupils over the past few years. Many of these developments have only been possible due to the support of Friends of Osborne, parents, staff, pupils and local organisations. We are asking for your support again with a new project to develop our woodland area at the bottom of the school field.

The School Council have identified this as the next project. The pupils have been discussing what they would like including an accessible path, seating area, nature area and even low ropes! We are starting this new project with a volunteering day on **Saturday 19<sup>th</sup> January 2019** from **10am to 3pm**. The aim of the day is to clear and tidy the woodland area so that the School Council can start to raise money and interest helping their ideas become reality.

Any support on the day would be gratefully received even if you can only spare an hour. The school café will be open on the day serving refreshments. Please keep an eye on our website for more details.

Yours Sincerely

Stewart Lang

Head of Key Stage 4
