5 April 2019

Dear Parents and Carers

As part of the Skills for Life Curriculum, your young person is taking part in our Sport and Recreation programme every Thursday morning. The aims of the programme is to provide students with a range of everyday sport and recreation opportunities in order to inspire sustained participation into adult life. This will include opportunities to enhance their confidence in accessing the local community, identify activities that they would want to continue to pursue into adult life and know how to access sport and recreation facilities in the local community.

Your young person is in the group accessing the community after the Easter holidays. The activities that have been organised are;

- 25 April – Café
- 2 May – Pots to paint
- 9 May – Say it with flowers - Flower arranging.
- 16 May – Cycles for all
- 23 May – Café

The costs for the activities are as follows:

- Cycles for all £6.00
- Pots to Paint £7.00
- Flower arranging £10.00
- Cafe £5.00 for each visit

We ask that you please send the full amount of £33.00 in **cash**, to cover all the activities for the half term, so that we have firm numbers to give to the activity providers. Money will be held in the college safe and will be given out to students on the day of each activity so that they can practice their money skills. Please be aware that because of the need to book in advance, refunds for some activities may not be possible if your young person is absent.

As well as the cost of the activity we ask that students make a voluntary contribution towards the transport costs of the school minibus. We ask that this is paid directly to the school in a lump sum before the trips commence. The total cost for these trips will be £3.14.

If you have any further questions, please do not hesitate to contact me o.byrne@osborne.hants.sch.uk

Yours sincerely

Olivia Byrne
