Dear Parents and Carers

As part of the Skills for Life Curriculum, your young person is taking part in our Sport and Recreation programme every Wednesday morning. The aims of the programme will be to provide students with a range of everyday sport and recreation opportunities in order to inspire sustained participation into adult life. This will include opportunities to enhance their confidence in accessing the local community, identify activities that they would want to continue to pursue into adult life and know how to access sport and recreation facilities in the local community.

Your young person is in the group accessing the community this half term. The activities that have been organised are;

18th September – Haskins Café	Cafe £5.00
25th September – Crazy golf	Crazy golf £1.50
2 nd October – Pots to paint	Pots to Paint £7.00
9 th October – Ping Pong Palour	Ping Pong FREE, £3.00 for a drink/snack
16 th October– Cycles for all	Cycles for all £6.00
23 rd October – Brambridge Café	Cafe £5.00

I would be most grateful if you could send in your **cash only** payment of £27.50 to cover the cost of these activities by Tuesday 17 September at the latest. This will be stored in the College safe and will then be ready for the students to use to practice their money skills. This also ensures that all of the activities can go ahead as some need to be paid in advance.

As well as the cost of the activities, we are asking students to make a voluntary contribution of £7.22 to help cover transport costs. This needs to be paid separately to the school, either via on-line payment, cheque or cash. If we do not receive enough mileage contributions the trips may not be able to go ahead.

If you have any further questions, please do not hesitate to contact me.

Yours sincerely
