Dear Parents and Carers

Your child has a chance to attend a course at the QE2 Activity Centre situated in the River Hamble Country Park. This has been part of our transition and community awareness programme for several years now. The course has always been a great success and thoroughly enjoyed by all who take part. Sessions are being offered on a rotational half termly basis starting on Wednesday 6 November. Your child is being invited to join this activity for this half term.

The cost for the activities is £40.62 and we are also asking for a voluntary contribution of £10.12 to cover the cost of travel. Payments for this trip can now be made on line, via SCO Pay. Should we not receive enough contributions the trip may not be able to go ahead.

The activities that they will be taking part in are; rifle shooting, an obstacle ropes course, bush craft skills, zip wire, indoor climbing, a motor boat trip, archery and canoeing.

If you are happy for your child to participate, I would be grateful if you could complete the permission slip below, along with the attached HCC consent form and return with your contribution by Monday 16 September. A copy of the insurance synopsis is available to view on the website.

Please ensure that your child has warm clothing as required, including coat, hat and gloves as all the activities are outdoors. They should also have a change of shoes or wellingtons.

If you have any further questions, please do not hesitate to contact me either on a.robinson@osborne.hants.sch.uk or via the school office on 01962 854537

Yours sincerely

Adam Robinson
