Dear Parents and Carers

Food Technology Contribution: Next Steps

At Osborne School we have a large Food Technology room. The college have just started the 'next steps' group on a Friday morning and a food tech lesson is included in this.

To enable the students to taste different foods and to take their cooking home, we require a contribution of £35.00 for the year. This will be added to your SCO Pay account and can be paid on-line. This can be paid in full or in three instalments as follows:

- £15 due now
- £10 due start of March
- £10 due start of June

Students should also provide a named container and bring it to school on the day of their cooking lesson to enable them to take their food home if we are cooking that day.

Thank you for your cooperation. If you have any questions or concerns, please do not hesitate to contact me.

Yours sincerely

Miss Olivia Byrne
College Tutor
