

Where Do I Belong?

Draw yourself in the middle box and then draw/write about all the groups, places or clubs you belong to in the boxes around it.

I belong...	I belong...	
I belong...	This is me...	I belong...
I belong...	I belong...	

Where Do I Belong?

Draw yourself in the middle box and then draw/write about all the groups, places or clubs you belong to in the boxes around it.

The diagram consists of a central square box. Surrounding this central box are six rectangular boxes arranged in a 2x3 grid. The central box is positioned in the middle of the grid, overlapping the four boxes that are directly adjacent to it (top, bottom, left, and right). The top-left, top-right, bottom-left, and bottom-right boxes are separated from the central box by a single line. The middle-left and middle-right boxes are separated from the central box by a double line. This layout provides space for a central drawing and six surrounding areas for additional drawings or text.
