Dear Parents and Carers

I am pleased to say that we have had another good week in school with staff and pupils adjusting to the new ways of working. Our updated Covid-19 Risk Assessment is now available on the website and I have a few updates to share with you:

Staggered Day

The staggered start and finish to the day has continued to work well and I am now happy that we can adjust the times a little to be more in line with the normal school day. Please check the changes below to see if it affects you and your young person:

Start times:	8.30am drop offs will move to 8.45am
Finish Times:	2.30pm pick ups will move to 2.45pm
	2.45pm pick ups will move to 2.55pm
	3.45pm pick ups will move to 3.30pm

I am hoping, if possible, that this will start on Monday but appreciate that some people may need time to adjust their routines. Specific parents who already have an agreed personal schedule will not be affected by these changes.

Face Masks

Could I please remind you to provide your young person with a closable plastic wallet or zippy bag to put their face mask in when they are not wearing it.

Annual Nasal Flu Vaccinations

I am pleased to say that the School Immunisation Team will be visiting Osborne on Thursday 15 October to administer the flu vaccine to all pupils. Consent forms will be emailed out a couple of weeks beforehand and it would be appreciated if you could ensure your child is in school that day.

As always, if you have any concerns please do not hesitate in contacting the school.

Yours sincerely

Sonia White
