12 October 2021

Dear Parents and Carers

GCSE Mathematics Club

We are offering a 'GCSE Mathematics Club' every Wednesday in term time from 3.00-4.00pm from the Wednesday the 20 October. This is open to all pupils studying the GCSE in Mathematics in both Year 10 and 11 at OsKings'. My aim for the club is to make these sessions relevant, engaging, social and fun.

Your young person has been attending GCSE Mathematics lessons with me on Mondays and Tuesdays, and one further lesson on Friday's with Mr Lang. These further sessions afterschool will enable the young people to build further knowledge, practice concepts and revise processes that will enable the pupils to achieve their full potential in future exams and accreditation.

Pupils can bring a snack and a drink for these sessions. Parents/carers will need to pick up their young person at 4.05pm at the Kings' drop-off point if the pupil doesn't walk home independently. If a session is cancelled for any reason, a phone call home will be made and alternative arrangements will be made. Please return the attached slip and if you have any questions please email me:

b.dlugokecki@osborne.hants.sch.uk

Yours sincerely,

Ben Dlugokecki, Head of Year 10/11 (OsKings')
