Dear Parents and Carers,

I am delighted to inform you that we have Team Rubicon visiting our school on Friday 21 January. They are a nationwide provider for scooter and skateboard lessons in schools and the UK's first and only nationwide provider of skateboard and scooter sessions for SEN pupils.

Their activities are suitable for children of all ages and abilities, and they have a range of specialised equipment from 3 wheeled scooters, to adaptive posture walkers and full harness skateboards that will allow everyone to take part.

We think it will be a great opportunity for the pupils to experience a new sport, develop their confidence by learning a new skill, and most of all to have fun.

The workshops will be free of charge as they are using these sessions to train new staff. If you would like your child to participate, please complete the attached form and return it to school by Friday 14 January.

If you have any questions or require any further information, please do not hesitate to contact me on S.Allwright@osborne.hants.sch.uk

Yours Sincerely

Sian Allwright
PE Coordinator
