Dear Parents and Carers

During the Spring term in year 8 your son/daughter will be undertaking a scheme of work in Sex and Relationship Education. This has become a statutory requirement for schools to deliver and is timetabled for each week. The lessons will cover the following:

- What is meant by sexual activity, including masturbation
- Attraction
- Different types of relationships- Including sexual relationships
- Appropriate and inappropriate touching
- Public and private
- Consent
- Online safety

The lessons will be class based and taught within separate year groups. Lesson content will be differentiated to meet the needs and ability of the pupils.

One of the lessons will be based around sexual intercourse. If you would prefer for your child not to be included in this one lesson, please inform me as soon as possible.

Should you require any further information please do not hesitate in contacting me.

Yours sincerely

Nikki Bailey
