Dear Parents & Carers

Summer Show 12 & 13 July 2023

As the end of the school year is rapidly approaching, we are busy planning our Summer Show. As in previous years, it will be open to all students across the School, College and OsKings sites.

We are aware that as the school has grown, there may be more students who do not wish to participate in the performance. As a result of this, we will be offering the opportunity to all students who wish to take part, and would enjoy being involved with the rehearsal and performance process rather than expecting every student to participate. If you think your child would enjoy taking part, but may need some gentle encouragement, we are very happy to support them. You may wish to talk to their class teacher if you are unsure as to whether it would be something that they would enjoy.

If your child is keen to be part of the school show, we would love to have them onboard! Please indicate their preference below and return the slip to school by 5 June 2023.

Yours sincerely
