Dear Parents and Carers

At OsKings your young person has access to the life skills room during lunchtimes. There is a fridge, microwave, toaster and kettle which we are openly encouraging the use of. There is also cutlery, plates and bowls available for student use.

Students are welcome to bring in a lunch that can be heated and staff will be available to supervise them in doing so. Students are then expected to wash and dry up after themselves, developing essential independent life skills.

Please feel free to send in suitable foods if your young person would like to access this facility.

Any further questions please do not hesitate to contact me via email on:

Yours Sincerely

Lisa Massey  
Senior Teacher
